

## Sailing courses for children - summer 2017 - European School of Varese

We propose sailing courses for European School`s children in the following weeks:

Sailing Courses for European School			
3rd period	from 26th to 30th June	4th period	from 3rd to 7th July (also blw)
5th period	from 10th to 14th July	6th period	from 17th to 21nd July (also blw)
7th period	from 24th to 28th July (also blw)	8th period	from 7th to 11th August
9th period	from 14th to 18th August	10th period	from 28/8 to 1st September (also blw)

Based at Cerro di Laveno, along the eastern coast of Lake Maggiore, **Centro Vela** is a highly professional leading sailing school in the North Italian Lakes Region and is fully recognized by the Italian Sailing Federation (F.I.V.).

We offer one week full-time courses for children (from 6 to 17 years old) on our new small boats (Europti, Hartley 10, Hartley 12.2), depending on age, sailing level (beginners level, intermediate level, advanced level) and physical ability of the child. Our instructors of the Italian Sailing Federation can speak English, French or Italian.

The courses start on Monday, from 9.00 to 17.00. and last till Friday

For older students with a more advanced level we propose a cabin course (J80, or Sprinto Sun 2000) to learn employment and regulation of sails, to experience mini-day cruises on the lake, to improve governance's technique and play the different roles within a crew so to improve sailing and navigation skills.

**Special Price:** for the pupils of the **European School of Varese**, members of AGSEV, there is a **special discount of € 25 for the first course during the year and of €50 for subsequent courses**

The price of the course is € 290 and includes teaching materials, life jackets, FIV registration for the current year and insurance.

At booking time you have to pay a deposit of € 90 per person.

Being the number of students per course limited to a maximum of 30 children, it is necessary to book the period chosen in advance.

In "**Blue Weeks**" (**blw**), (6th, 7th and 9th period), children will be hosted by us from Sunday evening to Friday. In this case the course includes full board (accommodation at our guest house in front of the lake, and meals at the restaurant close our office). The price of the "Blue Week" is € 645.00.

With a minimum of 6 children, residential courses can be organized in different period from those proposed by our school.
